

Journeyman Creative CIC

Arts and crafts improve well-being, alleviate stress and help ensure a child has a rounded educational experience

We tailor our tuition to meet the needs of children who are being home educated. Sessions can be developed for individual children, groups of children and for primary or secondary level. These can also be great courses for the whole of the family

Sessions can be held at the child's home, or for groups of children a suitable location can be booked.

Ceramic sessions are held at the studio on Marsh Lane.

Please feel free to contact us if you would like to discuss your child's needs.

2019 sessions are now available for booking

Group sessions cost £15 per person and run for 2 hours (there will be a small charge for materials, and there is an additional charge for ceramic firing costs). Group size is 3-6 people for ceramics in the Garden studio and 3-8 people for all other activities

1:1 tuition is £20 per hour (there will be a small charge for materials and an additional charge for ceramic firing costs)

Courses in Ceramics and Textiles

Ceramics

My garden studio creates a relaxed creative environment, where students of all abilities can work and experiment on individual projects.

You will learn how to prepare clay and use the tools, basic building skills, slabbing, coiling and throwing, you will also receive an introduction to glaze techniques.

Textiles and Sewing

These courses offer you the opportunity to experience the joy of working with textiles. Learn the basics and you can go on to explore the practical and decorative elements of working with textiles from making your own clothes to textile art.

Additional Arts and Crafts include:

Pebble and Mandala Painting, Felting, Needle felting, Paper marbling, Cooking, Gardening, Stencilling, sponging, decoupage, upcycling and recycling and seasonal mixed media projects.
